School Year Field Trip Permission Form  
2018-2019

Dear Parent/Guardian:

Class field trips will be planned throughout the school year, which will require your permission for your child to attend. In order for your child to participate it will be necessary for your signature to be on file in the office for the school year.

Please be aware that you will be notified of all field trips in advance by a note from the field trip sponsor. This note will be for your information only and will not require your signature in order for your child to participate. Having the form below on file will assure that your child will be able to participate without worry of a last minute telephone call to get permission to go.

If you have any questions regarding this, please feel free to contact me at the high school office, 810-639-6131, ext. 8825.

Sincerely,

Grant Hegenauer  
Principal
