Montrose Band Calendar 2019-2020 Continued

Every Student playing on a school instrument needs to fill out a contract form and pay \$40.00 before the instrument is played in school.

7th -12th Grade Students

Every 7th through 12th grade student should learn a solo.

Every 7th through 12th grade student should learn an Etude.

7th through 12th Grade students are allowed to participate in Solo and Ensemble. Please see the MSBOA Calendar for these days.

The All-State Band is an exciting opportunity for to audition to be part of a state band. In order to audition, students have to perform required scales and repertoire and will perform at the Michigan Music Conference. See the MSBOA calendar for specific dates. Ask Mrs. Splear for more details. This is a tremendous experience.

Parents please purchase a music lyre for the football games. We should not take stands out on the track. Also, please purchase a chromatic tuner for your child that clips on their instrument.

Parents

The band program must have parent support in order to thrive. We will have a bake sale at each concert and we will have a donation box present. Please bring treats to sell and/ or cash to donate or purchase treats to enjoy.

Also, I encourage you to participate in the fundraiser events we have this year.

Remind

Please sign up for remind. Students often say they didn't know events were happening even when calendars are mailed home at the start of the year and are posted on the Montrose Community Schools page. (See information below under "Website".)

Website!

We have a tab on the Montrose School Page where information can be found. Please go to the Montrose Community Schools Web page >Departments>Band. There will be the calendar of events, permission slips and other useful information.
