

MONTROSE COMMUNITY SCHOOLS

Dear Montrose Families,

On behalf of the Board of Education, I want to thank the Montrose Community Schools voters for their overwhelming support! Not only for voting on November 7th, but also for your support in all we do to give our kids the best opportunities to be successful. Whether it is the PTO Run/Walk, the Band and Choir Programs, the Athletic boosters, or the performing arts program, Montrose families are there to make sure we have everything we need to give our children the best possible experience. We truly are blessed!

Approval of the Zero-Mill extension allows the school district to continue to offer big school opportunities with a small school atmosphere. In addition to added safety features, classrooms will receive upgraded instructional technology. The auditorium will receive a much needed renovation and the athletic complex will see improvements both on and off the field. The coming years will be exciting as each project unfolds.

There are many things to do in the coming months as we prepare for this incredible opportunity approved by the community. Now that this extension has passed, we are working with our bond counsel (Thrun Law Firm) to draft a resolution for the Board of Education to authorize the selling of bonds. In the meantime, our financial advisor, Public Financial Management, Inc (PFM) will be working on preparing the bond parameter letter and reviewing current interest rates. Information, updates, and pictures will be available along the way on our website at www.montroseschools.org.

Again, I am extremely grateful to the parents, staff, students, and community members who helped us inform everyone about this bond extension and the potential to provide opportunities for our students.

Thank you for your continued support,

A handwritten signature in blue ink, appearing to read 'L. Moore'.
