

MONTROSE COMMUNITY SCHOOLS

January 11, 2021

Dear Parent or Caregiver:

As the school year continues to move along, we continue to provide multiple options for our students and families. 1st semester virtual students (grade 8-12) whom are returning to face to face learning 2nd semester, will be able to attend an orientation session on January 19 at 8:15 am in the high school auditorium. Students transitioning back to the face to face setting will meet in the auditorium with the administration team, counselor and the student success coordinator. The students will be able to get breakfast. We will go over face to face procedures, expectations, etc. Students will get locker combinations and will be able to navigate the halls prior to face to face learning at 9:30 am. IF YOUR CHILD RIDES THE BUS, We are requesting that you fill out the transportation form so the drivers are aware. Please contact Angie Florian, the Transportation Director at aflorian@montroseschools.org or 810-591-8854 if you have any questions.

Thank you for taking the time to read this letter. I hope you find this information helpful and please feel free to continue to contact myself or our instructors with any questions you may have. This certainly is uncharted territory for all of us. Together we will find our way through this trying time and continue to help your student(s) be successful.

Respectfully,
Grant Hegenauer
Principal
Hill-McCloy High School
