

MONTROSE COMMUNITY SCHOOLS

Dear Montrose Families,

Montrose Community Schools has been fortunate to work with the Genesee County Health Department in providing vaccinations for employees that work in the district. Thus far, the appointments have been at times where coverage was not an obstacle.

The Health Department has offered an opportunity for a number of employees to receive the vaccination on Friday, February, 12th. While this day works great as students are currently scheduled for early release, the follow up appointment on March 12th creates an issue with scheduling and staffing. To that end, Montrose Community Schools is **moving the Early Release – Professional Development day from Wednesday, March 10th to Friday, March 12th.**
